Guidelines and Best Practices for the Center Activity Calendar Template

- Use no more than 3 different fonts on the template
- Use no more than 3 color fonts on the template
- Avoid images with brand logos or names in them
- Use primarily photos rather than clip art
- Landscape images work better than portrait ones
- Consult with Marketing if you have unique image needs or are having a hard time finding imagery
- Please forward the Monthly Activity calendar to Daniel Rojas at drojas@studygroup.com for distribution in different social media channels.

How to Add Pictures

- Simply drag an image (JPG or PNG) to the sample image area or right click on the sample image and select *Change Picture*
- To adjust the picture, right click on it and select *Size and Position* (to adjust the size) and *Format Picture > Crop > Offset X & Offset Y* (to adjust the positioning)
